Aditya Birla Finance Limited | adityabirlafinance.com

Our Loan Against Securities is a facility provided against your investments portfolio. We offer you a line of credit against a wide range of shares, bonds and mutual funds.

Loan Against Securities offer products such as:

- **Loan Against Shares:** Loan Against Shares is a term loan against equity shares you own, without disrupting your long-term investment strategy
- **Loan Against Mutual Funds:** Offers you the opportunity of receiving immediate liquidity against the mutual fund units you own
- **Loan Against Life Insurance Policy:** Allows you to leverage your existing Life Insurance Policy(ies) and generate cash reserves quickly
- **ESOP financing:** Offers employees the chance to receive valuable capital to make the purchase and hold the shares till such time that he sells them to make a profit
- **Loan Against Bonds:** It is a term loan against all bonds you own. It helps you gain the financial flexibility that you need without disrupting your overall investment strategy
- **Loan Against PMS:** Allows you to avail finance without breaking up portfolios or disrupting long term investment strategies
- **IPO financing:** Gives you the flexibility to apply for more shares of an IPO. This increases the chance of getting a bigger allotment of shares and hence, higher returns
- **Promoter funding:** Increasingly being used by promoters to grow their business or to increase their stake in the company, as also to convert outstanding securities into equity shares
- **Margin Trade Funding:** Offers you the opportunity to invest/leverage/trade in equity shares at a pre-defined margin, assisting you to purchase more number of shares

We provide you a wide range of Financing Solutions to cater to your specific needs. To know about the various solutions please visit our website, or contact our call center.
